2002 Cadillac Deville Sunroof Drain

Around the innerportion of the sunroof is a trough that collects and directs water that seeps in through the seal, just like the lower rear of a convertible top. Not high-tech, simple, yet ingenious in design. There are four rubber drain tubes running out of the trough, two in front and two in front. The rule is do not use compressed air to clean them as this will blow the tubes off the nipple connectors and you will have to remove the headline to access.

Spanning eight decades and chronicling the wild ride of a Greek-American family through the vicissitudes of the twentieth century, Jeffrey Eugenides' witty, exuberant novel on one level tells a traditional story about three generations of a fantastic, absurd, lovable immigrant family -- blessed and cursed with generous doses of tragedy and high comedy. But there's a provocative twist. Cal, the narrator -- also Callie -- is a hermaphrodite. And the explanation for this takes us spooling back in time, through a breathtaking review of the twentieth century, to 1922, when the Turks sacked Smyrna and Callie's grandparents fled for their lives. Back to a tiny village in Asia Minor where two lovers, and one rare genetic mutation, set our narrator's life in motion. Middlesex is a grand, utterly original fable of crossed bloodlines, the intricacies of gender, and the deep, untidy promptings of desire. It's a brilliant exploration of divided people, divided families, divided cities and nations -- the connected halves that make up ourselves and our world.

How do the rich get rich? An updated edition of the "remarkable" New York Times bestseller, based on two decades of research (The Washington Post). Most of the truly wealthy in the United States don't live in Beverly Hills or on Park Avenue. They live next door. America's wealthy seldom get that way through an inheritance or an advanced degree. They bargain-shop for used cars, raise children who don't realize how rich their families are, and reject a lifestyle of flashy exhibitionism and competitive spending. In fact, the glamorous people many of us think of as "rich" are actually a tiny minority of America's truly wealthy citizens--and behave quite differently than the majority. At the time of its first publication, The Millionaire Next Door was a groundbreaking examination of America's rich--exposing for the first time the seven common qualities that appear over and over among this exclusive demographic. This edition includes a new foreword by Dr. Thomas J. Stanley--updating the original content in the context of the financial crash and the twenty-first century. "Their surprising results reveal fundamental qualities of this group that are diametrically opposed to today's earn-and-consume culture." -Library Journal

For the first time in one volume, Phil Edmonston, Canada's automotive "Dr. Phil," covers all used vehicles, packing this guide with insider tips to help the consumer make the safest and cheapest choice possible from cars and trucks of the past 25 years.

A guide to buying a used car or minivan features information on the strengths and weaknesses of each model, a safety summary, recalls, warranties, and service tips.

For many people, a well-maintained automobile is a source of pride and peace of mind. But for others, the idea of routine maintenance is daunting. How to Make Your Car Last Forever will guide you through the minefield of preventative maintenance, repair, extended warranties, and magic elixirs that claim to cure everything from oil consumption to male-pattern baldness! Author, car repair expert, and host of satellite radio show America's Car Show with Tom Torbjornsen, Tom Torbjornsen has seen it all in his 40 years in the automobile industry. Let him show you how to extend the life of your car indefinitely. In How to Make Your Car Last Forever, he explains the what, when, and why's of automotive maintenance and repairs in easy-to-understand terms. Simple how-to projects supplement the learning with step-by-step instructions that will save you time and money. While you may not want your car to last forever, Torbjornsen's advice will help you preserve it indefinitely while maximizing resale value down the road. Preventative maintenance is the key to the automotive fountain of youth. Let Tom Torbjornsen show you the way!

One seemingly innocuous promise. The one girl he could never forget.... Collins Drake exercises control over all facets of his life. From his business, to satisfying his physical needs ... it all happens on his command. So when a woman shows up at his door and reminds him of a promise they made each other when they were just ten years old, it shouldn't have the ability to rock his entire world. Yet it does. Because Mia Monroe wasn't just his childhood best friend, she wasn't just the girl he lost his virginity to and hasn't seen since, she's the one exception to his perfect control. And piece by piece, she's about to tear apart his carefully laid plans. Filthy Beautiful Forever is book 4 in the Filthy Beautiful Lies series, but can be read as a standalone.

Warning - 18+ contains explicit sexual situations and language from the author of Filthy Beautiful Lies and Filthy Beautiful Love.

Guide to information on ... cars and light trucks.

One of the first women's organizations to mask and perform during Mardi Gras, the Million Dollar Baby Dolls redefined the New Orleans carnival tradition. Tracing their origins from Storyville-era brothels and dance halls to their re-emergence in post-Katrina New Orleans, author Kim Marie Vaz uncovers the fascinating history of the "raddy-walking, shake-dancing, cigar-smoking, money-flinging" ladies who

strutted their way into a predominantly male establishment. The Baby Dolls formed around 1912 as an organization of African American women who used their profits from working in New Orleans's red-light district to compete with other Black prostitutes on Mardi Gras. Part of this event involved the tradition of masking, in which carnival groups create a collective identity through costuming. Their baby doll costumes -- short satin dresses, stockings with garters, and bonnets -- set against a bold and provocative public behavior not only exploited stereotypes but also empowered and made visible an otherwise marginalized female demographic. Over time, different neighborhoods adopted the Baby Doll tradition, stirring the creative imagination of Black women and men across New Orleans, from the downtown Trem area to the uptown community of Mahalia Jackson. Vaz follows the Baby Doll phenomenon through one hundred years with photos, articles, and interviews and concludes with the birth of contemporary groups, emphasizing these organizations' crucial contribution to Louisiana's cultural history.

Popular Mechanics inspires, instructs and influences readers to help them master the modern world.
