SATs papers were taken in Maths, Reading and SPaG under formal exam conditions. These papers were marked externally whilst separate teacher assessments in Writing and Science were marked by their teachers. The 2014 Year 6 SATs featured minor tweaks to the Reading paper. These included three unrelated texts with entirely isolated questions. In previous Key Stage 2 SATs tests, the texts would be in some way related and the questions would ask children to compare them.

2014 International Conference on Education and Management Science (ICEMS2014) will be held in Beijing, China on August 19–20, 2014. The main purpose of this conference is to provide a common forum for researchers, scientists, and students from all over the world to present their recent findings, ideas, developments and application in the border areas of Education and Management Science. It will also report progress and development of methodologies, technologies, planning and implementation, tools and standards in information systems. Education is an internal topic. It is a process of delivering knowledge in a basic meaning. Humans are hard to define the actual definition of education. But it is the key point for our society to step forward. Management science is the discipline that adapts the scientific approach for problem solving to help managers making informed decisions. The goal of management science is to recommend the course of action that is expected to yield the best outcome with what is available.
