A Sense of Urgency is a powerful tool for anyone wanting to win in a turbulent world that will only continue to move faster. Management control systems and damage control experts serve a critical purpose. But don't let that blind you to an increasingly important reality. Controls can support complacency in an era when complacency can be deadly.

A Sense of Urgency | A Book by Dr. John Kotter | Learn More

In *A Sense of Urgency*, Kotter does clarify that the opposite of a sense of (true) urgency is not always complacency. Sometimes, organizations are beset by false urgency, which manifests as frenetic activity without producing any real movement. True urgency means always asking, "What can be done right now to move the work forward?"

A Sense of Urgency by John P. Kotter - Goodreads

As a phrase, a "sense of urgency" has many different connotations. The correct meaning depends on the context. In the business context, "a sense of urgency" generally refers to communicating to an individual or team that it's imperative to act promptly, decisively and without delay.

Kingsbury: A 'Sense Of Urgency'

What is a sense of urgency? However, Kotter has always been quick to point out that productive urgency is vastly different than anxiety or stress. "People think they are urgent," he told The Enterprisers Project, "when in fact they are simply anxious." "If urgency signals panic, good people look for other jobs."

How to create a sense of urgency without stressing out...

"Sense of urgency" is a term that is thrown around a lot in the business world today. And for good reason - the world around us is constantly changing, and we need to react right now! Trinity has made a sense of urgency a priority, and from what I've learned, most companies probably should.

What Does It Mean to Have a Sense of Urgency? - Trinity ...

One striking observation has been the lack of any sense of urgency among some people that organizations rely upon to contribute to their transformation. Sometimes this is due to the fact that these folks have only lived in an operational mode, and stepping into a delivery mode is an alien concept that they need to adopt.

20 ways to create a sense of urgency | The Enterprisers ...

Urgency is important because meaningful organizational change cannot occur without the cooperation of the affected stakeholders. This is why creating a sense of urgency for a needed change is the first step leaders must take to gain the cooperation of management and employees.

Leading Change: Creating a Sense of Urgency (Step 1)

Judge: "No, I think we start out and we do everything with a great sense of urgency. You don't ever have to feel like you have to change in that. But no, I try to be the same person every day. It doesn't mean I'm always in the same mood or the same temperament, but everyone knows who I am and what I'm about.
