Mr Car Man aims to provide simple and easy ways to understand information applicable to all car owners who wish to save money, prevent problems arising, and keep their car(s) on the road. Pride and satisfaction in performing basic tasks on your car will allow you to improve your self-confidence. I love cars, and I wish others could enjoy the same passion! A little car 'know-how' will save you a lot of money! Mr Car Man is the 'first aid', not the brain surgery; begin with the basics and move through the grades, up to performing regular tune-ups and servicing. A car purchase is often the second most pricey purchase, behind our beloved house, and yet most owners are too scared to perform the most basic tasks on their own car. Do you want to know tips, secrets, and handy hints to achieve the best deals for yourself?

Britain's has a long, distinctive history producing farm model tractors for collectors, young and old, around the world. This book is the first comprehensive, fully illustrated guide for collectors of the model and toy tractors produced by Britain's in the ten years since it transferred all production to China. The book describes all the model tractors released in North America and Europe since 1998. As well as general releases it includes details and photographs of prototype and rare models. This is complemented by a catalogue describing the main features, differences, issue dates and codes of each model produced. Each is illustrated with six color photographs showing the model from different angles and the issue packaging.
