Once each party has made an initial offer, avoid the trap of making another concession before your counterpart has reciprocated with one of her own. If the other party won’t match your concession, it may be time for you to bow out of the negotiation and exercise your BATNA. Be Comfortable with Silence.

What is Distributive Negotiation and Five Proven Strategies

Extreme demands followed up by small, slow concessions. Perhaps the most common of all hard-bargaining tactics, this one protects dealmakers from making concessions too quickly. However, it can keep parties from making a deal and unnecessarily drag out business negotiations.

10 Hard-Bargaining Tactics & Negotiation Skills

If you want to be a pro negotiator, identify your bargaining style. Research shows that those who are naturally conflict-avoidant but feign aggression or those who are competitive but play too nice do not achieve the best negotiation outcome. To get what you want, don’t jump automatically to a negotiation.

Bargaining for Advantage by G. Richard Shell

Bargaining or haggling is a type of negotiation in which the buyer and seller of a good or service debate the price and exact nature of a transaction. If the bargaining produces agreement on terms, the transaction takes place. Bargaining is an alternative pricing strategy to fixed prices. Optimally, if it costs retailers nothing to engage in and allow bargaining, they can deduce buyers ...
