to begin language training while waiting to return to Fort Bragg for Phase II. The 3rd Bn, 1st SWTG (A) is responsible for all language training at the USAJFKSWCS. The Special Operations Language Training (SOLT) is primarily a performance-oriented language course. Students are trained in one of ten core languages with enduring regional application and must show proficiency in speaking, listening and reading. A student receives language training throughout the Pipeline. In Phase IV, students attend an 8 or 14 week language blitz depending upon the language they are slotted in. The general purpose of the course is to provide each student with the ability to communicate in a foreign language. For successful completion of the course, the student must achieve at least a 1/1/1 or higher on the Defense Language Proficiency Test in two of the three graded areas; speaking, listening and reading.

This intensive foundation course in Italian is designed for students with no previous knowledge of the language. Accompanying audio material containing dialogues, listening exercises and pronunciation practice is available to purchase separately in CD format. These two audio CDs are designed to work alongside the accompanying book. Students using the Routledge Intensive Italian Course will practise the four key skills of language learning - reading, writing, speaking, and listening - and will acquire a thorough working knowledge of the structures of Italian. The Routledge Intensive Italian Course takes students from beginner to intermediate level in one year.

The Routledge Intensive Italian Workbook is a comprehensive book of exercises and tasks for beginner and intermediate learners of Italian. It includes a wide variety of exercises - covering a broad range of situations and functions - and will help students to progress rapidly and master the language accurately. Students can check their own progress using the answer key. The Workbook can be used independently, or in conjunction with the Routledge Intensive Italian Course, an accelerated course in Italian for adult beginners, which is accompanied by audio material.

Color Overheads Included! The material in this book focuses on the historical development of life as evidenced by fossil specimens. The significance of fossils in interpreting our geologic history is described. Each of the twelve teaching units in this book is introduced by a color transparency, which emphasizes the basic concept of the unit and presents questions for discussion. Reproducible student pages provide reinforcement and follow-up activities. The teaching guide offers descriptions of the basic concepts to be presented, background information, suggestions for enrichment activities, and a complete answer key.
