Elder's first book *Trading for a Living* (Wiley: 0471592242) and the companion study guide have sold over 160,000 copies.

Come behind closed doors and see real trades made by real traders. Dr. Alexander Elder leads you into 16 trading rooms where you meet traders who open up their diaries and show you their trades. Some of them manage money, others trade for themselves; some trade for a living, others are on the semi-professional level. All are totally serious and honest in sharing their trades with those who would like to learn. You will meet American and international traders who trade stocks, futures, and options using a variety of methods. All are normally very private, but now, thanks to their relationships with Dr. Elder, you can see exactly how these traders decide to enter and exit trades. Each chapter illustrates an entry and an exit for two trades, with comments by Dr. Elder. With this book as your guide, you can get closer to mastering the key themes of trading—psychology, tactics, risk control, record keeping, and the decision-making process. The companion Study Guide is filled with striking insights and practical advice allowing you to test your knowledge and reinforce the principles outlined in *Entries & Exits*.

master the key points of his classic book. The Study Guide's 170 multiple-choice questions are divided into 11 chapters, each with its own rating scale. They cover the entire range of trading topics, from psychology to system design, from risk management to becoming an organized trader. Each question is linked to a specific chapter in the main book, while the Answers section functions like a mini-textbook. It doesn't just tell you that A is right or B is wrong—it provides extensive comments on both the correct and incorrect answers. This Study Guide also contains 17 charts that challenge you to recognize various trading signals and patterns. Everything is designed to help you become a better trader. Consider getting two books as a package—the Study Guide and *The New Trading for a Living*. They're designed to work together as a unique educational tool. The Study Guide for *The New Trading for a Living* is a valuable resource for any trader who wants to achieve sustainable market success.

The best-selling trading book of all time—updated for the new era *The New Trading for a Living* updates a modern classic, popular worldwide among both private and institutional traders. This revised and expanded edition brings time-tested concepts in gear with today's fast-moving markets, adding new studies and techniques for the modern trader. This classic guide teaches a calm and disciplined approach to the markets. It emphasizes risk management along with self-management and provides clear rules for both. *The New Trading for a Living* includes templates for rating stock picks, creating trade plans, and rating your own readiness to trade. It provides the knowledge, perspective, and tools for developing your own effective trading system. All charts in this book are new and in full color, with clear comments on rules and techniques. The clarity of this book's language, its practical illustrations and generous sharing of the essential skills have made it a model for the industry—often imitated but never duplicated. Both new and experienced traders will appreciate its insights and the calm, systematic approach to modern
