In this book, Bruce shares remarkable advice that may well have you laughing while you work and truly loving your job." - Biz Stone, Twitter co-founder |Bruce Daisley's The Joy of Work is a joy to read. It translates the best of workplace psychology research into practical ways of establishing creative and liveable cultures at work!a must read for all of us 9-5ers!| - Professor Sir Cary Cooper, ALLIANCE Manchester Business School, University of Manchester |Bruce's The Joy of Work is an important reminder of simple everyday practices to improve how we all work together, which will lead to greater team and individual happiness and performance. Great results will follow. | - Jack Dorsey, CEO of Twitter and Square "With just 30 changes, you can transform your work experience from bland and boring (or worse) to fulfilling, fun, and even joyful. Bruce Daisley has pulled together threads of research and woven them into a tapestry of strategies that actually work, and that don't depend on the CEO's sign-off for implementation. You can begin changing your work culture today at the individual, team, and organisational levels with these tactics that increase creativity, productivity, and satisfaction. | - Daniel Pink, author of WHEN and DRIVE

What did we learn from the 12K banner? Is the big idea dead? What would Bill Bernbach think about digital advertising? Why are the Swedes so bloody good at it? How can you shape the future of digital advertising? Is peep culture the new pop culture? What does the agency of the future look like? All these questions and far more are covered inside Digital Advertising: Past, Present, and Future, a collection of essays from 24 Digital Creative Directors and business leaders. Rory Sutherland, President of the IPA and Vice-Chairman, Ogilvy Group UK describes it as 'An A-list group of authors writing brilliantly and affectionately about the subjects they know best.'

FORBES #1 CAREER BOOK TO READ IN 2018 The larger-than-life journey of an 18-year-old college freshman who set out from his dorm room to track down Bill Gates, Lady Gaga, and dozens more of the world's most successful people to uncover how they broke through and launched their careers. The Third Door takes readers on an unprecedented adventure!from hacking Warren Buffett's shareholders meeting to chasing Larry King through a grocery store to celebrating in a nightclub with Lady Gaga!as Alex Banayan travels from icon to icon, decoding their success. After remarkable one-on-one interviews with Bill Gates, Maya Angelou, Steve Wozniak, Jane Goodall, Larry King, Jessica Alba, Pitbull, Tim Ferriss, Quincy Jones, and many more, Alex discovered the one key they have in common: they all took the Third Door. Life, business, success is just like a nightclub. There are always three ways in. There's the First Door: the main entrance, where ninety-nine percent of people wait in line, hoping to get in. The Second Door: the VIP entrance, where the billionaires and celebrities slip through. But what no one tells you is that there is always, always! the Third Door. It's the entrance where you have to jump out of line, run down the alley, bang on the door a hundred times, climb over the dumpster, crack open the window, sneak through the kitchen!there's always a way in. Whether it's how Bill Gates sold his first piece of software or how Steven Spielberg became the youngest studio director in Hollywood history, they all took the Third Door.

Sliver award winner in Business Reference 2020 Axiom Business Book Awards What makes a great idea? Where do great ideas come from? The highly practical lessons in HOW TO GET TO GREAT IDEAS are based on neuroscience, psychology, and behavioral economics. Written by the former Creative Director of OgilvyOne, Dave Briss, this book offers a brilliant new system for conceiving original and valuable ideas. It looks at how to frame the problem, how to push your thinking, how to sell the idea and build support for it, and how to inspire others to have great ideas. It proves that any organization - and any department within an organization - can become a fertile environment for ideas. Combining a practical research-based system with fascinating insights and inspiring and humorous writing,the book is also accompanied by the problem-solving system RIGHT THINKING. This is a tool that shows organizations a more effective way to generate more effective ideas and is based on the thinking in the book. This is available online and in person from the author.

Alysia Vasey's earliest memories are of walking alongside her grandfather as they explored the West Yorkshire moors that they called home. As an adult, this love for wild things stayed with her, even as she learnt that her family's knowledge of edible plants were a legacy of a much darker time during the Second World War. After leaving Yorkshire in search of adventure, Alysia was eventually guided home by her motto: Be true to yourself and you will become the person you were meant to be. She left her traditional path and took a far wilder journey that gradually evolved into one of the UK's most successful foraging businesses, supplying some of the greatest chefs in the world and the best restaurants in the country Her achievements are the result of a bit of luck, a lot of knowledge and a huge amount of self-belief. Here, Alysia also shares not only her story, but also her vast knowledge of UK plant lore. A true Yorkshirewoman, Alysia tells it like it is, and The Yorkshire Forager is full of tales of her family's adventures and misadventures in their search for top quality ingredients - you never know who you might meet in the woods - making this book as entertaining as it is informative.

The Butter Battle Book, Dr. Seuss's classic cautionary tale, introduces readers to the important lesson of respecting differences. The Yooks and Zooks share a love of buttered bread, but animosity brews between the two groups because they prefer to enjoy the tasty treat differently. The timeless and topical rhyming text is an ideal way to teach young children about the issues of tolerance and respect. Whether in the home or in the classroom, The Butter Battle Book is a must-have for readers of all ages.

!Molly Galbraith is collaborative, uplifting, and relentlessly authentic | -- Melissa Urban, Whole30 CEO, New York Times bestselling author As women, many of us have false beliefs about who we are and what we must do to succeed, and these beliefs pit us against other women!holding us back from strength, success, empowerment, connection, and making the kind of difference we're here to make. It's time for a change. Strong Women Lift Each Other Up is an evidence-based, actionable guide to creating a better life for yourself and a better world with more opportunity for women and girls. If you've ever . . . struggled with jealousy or comparing your life or body to other women wanted to support or believe in women, but felt like they're catty or tearing you down felt like you're competing with other women for opportunities that are scarce or felt like you were made for more than the life you're living now . . . this book is for you. Women are ready to stop the vicious cycle of criticizing, judging, gossiping, and comparing themselves. We want to feel good in our own skin and know we're enough, just as we are. By the end of this book, you won't walk into a room and size up other women. You'll walk in feeling like you don't have to compare yourself at all. You'll radiate confidence from the inside out. You'll chase your dreams without worrying what others think. You'll lift other women up because you'll know there's enough success to go around. You'll live a life filled with meaning and purpose. And you'll know exactly who you are and be damn proud of it. Change starts now. With this book!and with you.
