This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterite/imperfect) and the Spanish rorindicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms. Esperanza Rising joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! Esperanza thought she'd always live a privileged life on her family's ranch in Mexico. She'd always have fancy dresses, a beautiful home filled with servants, and Mama, Papa, and Abuelita to care for her. But a sudden tragedy forces Esperanza and Mama to flee to California and settle in a Mexican farm labor camp. Esperanza isn't ready for the hard work, financial struggles brought on by the Great Depression, or lack of acceptance she now faces. When Mama gets sick and a strike for better working conditions threatens to uproot their new life, Esperanza must find a way to rise above her difficult circumstances-because Mama's life, and her own, depend on it.

Introductory Statistics is designed for the one-semester, introduction to statistics course and is geared toward students majoring in fields other than math or engineering. This text assumes students have been exposed to intermediate algebra, and it focuses on the applications of statistical knowledge rather than the theory behind it. The foundation of this textbook is Collaborative Statistics, by Barbara Illowsky and Susan Dean. Additional topics, examples, and ample opportunities for practice have been added to each chapter. The development choices for this textbook were made with the guidance of many faculty members who are deeply involved in teaching this course. These choices led to innovations in art, terminology, and practical applications, all with a goal of increasing relevance and accessibility for students. We strove to make the discipline meaningful, so that students can draw from it a working knowledge that will enrich their future studies and help them make sense of the world around them. Coverage and Scope Chapter 1 Sampling and Data Chapter 2 Descriptive Statistics Chapter 3 Probability Topics Chapter 4 Discrete Random Variables Chapter 5 Continuous Random Variables Chapter 6 The Normal Distribution Chapter 7 The Central Limit Theorem Chapter 8 Confidence Intervals Chapter 9 Hypothesis Testing with One Sample Chapter 10 Hypothesis Testing with Two Samples Chapter 11 The Chi-Square Distribution Chapter 12 Linear Regression and Correlation Chapter 13 F Distribution and One-Way ANOVA

National Book Award Finalist! Instant New York Times Bestseller! The Absolutely True Diary of a Part-Time Indian meets Jane the Virgin in this poignant but often laugh-out-loud funny contemporary YA about losing a sister and finding yourself amid the pressures, expectations, and stereotypes of growing up in a Mexican American home. Perfect Mexican daughters do not go away to college. And they do not move out of their parents' house after high school graduation. Perfect Mexican daughters never abandon their family. But Julia is not your perfect Mexican daughter. That was Olga's role. Then a tragic accident on the busiest street in Chicago leaves Olga dead and Julia left behind to reassemble the shattered pieces of her family. And no one seems to acknowledge that Julia is broken, too. Instead, her mother seems to channel her grief into pointing out every possible way Julia has failed. But it's not long before Julia discovers that Olga might not have been as perfect as everyone thought. With the help of her best friend, Lorena, and her first love (first everything), Connor, Julia is determined to find out. Was Olga really what she seemed? Or was there more to her sister's story? And either way, how can Julia even attempt to live up to a seemingly impossible ideal?

A special 25th anniversary edition of the extraordinary international bestseller, including a new Foreword by Paulo Coelho. Combining magic, mysticism, wisdom and wonder into an inspiring tale of self-discovery, The Alchemist has become a modern classic, selling millions of copies around the world and transforming the lives of countless readers across generations. Paulo Coelho's masterpiece tells the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different-and far more satisfying-than he ever imagined. Santiago's journey teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning to read the omens strewn along life's path, and, most importantly, to follow our dreams.

Winner of the Newbery Medal and the National Book Award! This #1 New York Times bestselling, modern classic in which boys are forced to dig holes day in and day out is now available with a splashy new look. Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment-and redemption. Includes a double bonus: an excerpt from Small Steps, the follow-up to Holes, as well as an excerpt from Louis Sachar's new middle-grade novel, Fuzzy Mud. "A smart jigsaw puzzle of a novel." --The New York Times WINNER OF THE BOSTON GLOBE-HORN BOOK AWARD A NEW YORK TIMES BOOK REVIEW NOTABLE CHILDREN'S BOOK SELECTED FOR NUMEROUS BEST BOOK OF THE YEAR AND ALA HONORS

Getting through to someone is a fine art, indeed, but a critical one nonetheless. Whether you are dealing with a harried colleague, a stressed-out client, or an insecure spouse, things will go from bad to worse if you can't break through emotional barricades and get your message thoroughly communicated and registered.Drawing on his experience as a psychiatrist, business consultant, and coach, author Mark Goulston shares simple but powerful techniques readers can use to break through the stubborn and hardened outer layers of coworkers, friends, strangers, or even enemies. Just Listen reveals how to: Make a powerful and positive first impression! Listen effectively! Talk an angry or aggressive person away from an unproductive reaction and toward a more rational mindset! Achieve buy-in-the linchpin of all persuasion, negotiation, and sales! And more!Whether you're dealing with an angry client, a potential customer, or even a friend or family member who isn't seeing eye to eye with you, your goal is most likely persuasion. And the first make-or-break step to getting there is having them hear you out. The invaluable principles in Just Listen will get you through that first tough step with anyone.

'Some things are just sitting there, minding their own business, waiting to be discovered. Like America. And other things are probably better off left alone' Nine-year-old Bruno has a lot of things on his mind. Who is the 'Fury'? Why did he make them leave their nice home in Berlin to go to 'Out-With'? And who are all the sad people in striped pyjamas on the other side of the fence? The grown-ups won't explain so Bruno decides there is only one thing for it - he will have to explore this place alone. What he discovers is a new friend. A boy with the very same birthday. A boy in striped pyjamas. But why can't they ever play together? BACKSTORY: Read an interview with the author JOHN BOYNE and learn all about the Second World War in Germany.
