If you take a look at the dot grid, you'll notice the dots are lined up both vertically and horizontally. To write in a dot grid journal, pretend the dots are lines and use a row of dots as a horizontal line. After you've finished writing on a dot-row, you can go to the next row or skip a row if you like.

...

The best bullet journals feature a grid dot format that allows you to easily customize your own page layouts. Still, others prefer blank pages or even ruled pages. When you're choosing the best bullet journal, it's important to consider the type of cover, binding, and paperweight (because this plays a role in the type of pens/markers you want to use).
