Emphatic is a sweet romance about a rock star and a beautiful girl next door type who fall madly deeply, emphatically in love but don't truly get together until the book is almost finished. Their romance starts out hot and heavy but then turns into one of the slowest of slow burns I think I've ever read in this genre.

I love Kaylee Ryan's books because she writes basically about men who know that a woman is right for them and they are focused on treating the women right. Kacen embodied this kind of man- since he met Logan, he loved her, even if he didn't know it. She was the "one" and he was unapologetic about it. I swooned a lot. I also loved the other band mates and I am looking forward to reading about ...

I was blinded by the fairytale, the one that didn't exist. The day I gave up on the idea of happily ever after, my focus became me. Moving forward and establishing my career. Until one day... I didn't expect him. My new boss, a six foot two, inked rock god. I believed I was working for the record label, I was wrong. It's impossible for me to keep my distance, believe me I've tried. He's not who I expected him to be. He's so much more he's...Emphatic 18 and over audience

Lauren captivated me with those big brown eyes of hers, and I knew my life would never be the same. What started out as friendship, has turned into so much more. I was shocked when Tristian asked for my number. There hasn't been a day since that I haven't heard from him. He may be the drummer, but that deep sexy voice, it turns me inside out. I assumed it would be one and done, but that's not how our story ends. I worry it's not what he wants. He tells me he's

Definite. This is the third book in the Soul Serande Series. Emphatic - Book #1 Assured - Book #2

I've always been the guy who plays the field. I like variety and my career ensures that I can have my pick of women. Until her... I've always been the girl who wants more. I want the white picket fence, the two point five kids and the dog. That's what all little girls grow up dreaming about. Until him... Why is it that she's all I can see? I no longer want the variety instead all I want is her. I won't stop until she believes that she's mine. I assure you... He's not the kind of guy I usually date. He's cocky, and famous and that hair. He says I'm what he wants, but I know his type. He likes to play the field. Only with me he's different. He's assured.

What do you do when your whole life crashes and burns? How do you get through the flames? Tatum Thompson is living the dream. Her life is perfect; with a loving boyfriend, loving parents and a soon to be college graduate how can life get better? Life is good until it isn't. When tragedy strikes Tatum runs to Josh only to find him in a compromising position with someone else. Turning away from the only life she knew, Tatum is forced to alter her life plan. Blaise Richards is a tattoo artist who moonlights as a volunteer fire fighter. Lies and deception leave his broken heart closed until the beautiful green eyed girl casts her spell over him. She's making him feel things he's never felt. Making him want things he thought he would never want. Tatum wants Mr. just for tonight. Blaise wants Tatum to be his forever. Can Mr. Just for tonight convince Tatum that she's the one? How long can Tatum resist Blaise's determination to make her his?

Previously published as a part of the Burn Me Anthology The minute she rolled back into town, I knew I had to have her. It doesn't matter to me that she's my captain's daughter or that she continues to turn me down. I know what I want, and it's her. I won't stop until she's mine. I'm trying to resist him, but my efforts are fruitless. It's those big calloused hands and their gentle touch. It's the way he looks at me, and the way he's adamant that I'm who he wants. It's the way he can see right through me and knows he's all I want. The sparks are flying, and it's only a matter of time before they collide. This is a novella. Approximately 26k words

Sawyer From the first moment I sit next to the sexy suit on the plane, the butterflies in my stomach have nothing to do with turbulence and everything to do with the way he's looking at me. When we land, he gives me his number, and I promise to call. Before I get the chance, we meet again. It turns out he's my new boss and nothing like the gentle stranger from the plane. The longer I'm with Royce, the more I realize he has many layers, and I want to uncover them all one by one. If only he would let me in. Royce Being CEO requires all of my focus, but I can't stop thinking about the gorgeous woman from the plane with the gorgeous blonde hair and striking green eyes. Sawyer Gibson is beautiful, intelligent, and very much off-limits. A line I shouldn't cross. Until I do... and there's no going back. I want all of her, but she deserves more than my hardened heart can give. No matter how hard I try, I can't escape her.

Expect the unexpected. That's what they say, but it's easier said than done. How do you expect a change so huge it rocks you to your core? How do you prepare yourself for an event that will alter your life forever? One breath One second One minute One hour One day at a time, you learn to live with your unexpected reality.

NAMED A BOOK OF THE YEAR BY THE ECONOMIST AND ONE OF THE BEST BOOKS OF 2021 BY THE TIMES AND THE SUNDAY TIMES "Irreversible Damage . . . has caused a storm. Abigail Shrier, a Wall Street Journal writer, does something simple yet devastating: she rigorously lays out the facts." —Janice Turner, The Times of London Until just a few years ago, gender dysphoria—severe discomfort in one 's biological sex—was vanishingly rare. It was typically found in less than .01 percent of the population, emerged in early childhood, and afflicted males almost exclusively. But today whole groups of female friends in colleges, high schools, and even middle schools across the country are coming out as “ transgender. ” These are girls who had never experienced any discomfort in their biological sex until they heard a coming-out story from a speaker at a school assembly or discovered the internet community of trans “ influencers. ” Unsuspecting parents are awakening to find their daughters in thrall to hip trans YouTube stars and “ gender-affirming ” educators and therapists who push life-changing interventions on young girls—including medically unnecessary double mastectomies and puberty blockers that can cause permanent infertility. Abigail Shrier, a writer for the Wall Street Journal, has dug deep into the trans epidemic, talking to the girls, their agonized parents, and the counselors and doctors who enable gender transitions, as well as to “ detransitioners ” —young women who bitterly regret what they have done to themselves. Coming out as transgender immediately boosts these girls ' social status, Shrier finds, but once they take the first steps of transition, it is not easy to walk back. She offers urgently needed advice about how parents can protect their daughters. A generation of girls is at risk. Abigail Shrier 's essential book will help you understand what the trans craze is and how you can inoculate your child against it—or how to retrieve her from this dangerous path.

Samantha Jase Andrews is trouble... but the best kind. Too gorgeous for his own good, the former professional athlete is every woman's dream, including mine. I need to stay away, but he's relentless. Most girls want Jase because of who he is, but that's exactly why I don't want to get involved. A guy like him and a girl like me are bound to fumble. His panty-melting smile is so hard to resist... until one day, I don't. I give in and say yes to my boss's cocky best-friend. His charming determination wears me down, and once I realize what I've been missing, there is no going back. Now we're a team, and thanks to his insatiable drive, our squad is growing. Jase The minute I lay eyes on her, I know she will be mine. I want her, even though my best-friend warns me to stay away from his assistant. Samantha Wilson is smart, gorgeous, and not afraid to call me out. She's perfect. A refreshing change from all the women who threw themselves at me when I was in the professional league. Not Samantha. She turns me down. Every. Single. Time. For nearly a year. It makes me want her even more. I'm not giving up, I've got plays for days, and I'm not afraid to use them. When she finally says yes. My life is turned upside down in ways I can't imagine- get ready for the play by play. This is a prequel Novella to the Riggins Brothers Series.
