A parody is one thing. A GOOD parody is another. This is the latter. Consistently funny throughout, "Reid Mockery" has put together a near-perfect counterpart to Fifty Shades of Grey. It follows the plot of the original very closely, poking fun in all the right places. It also manages to poke fun at the characters and their motivations underscoring it.

enough to inhibit commercial activity. A recent example of the potentially stifling effect of the UK's historic treatment of parody is the delayed release in the UK of 50 Shades! The Musical, a parody of E L James' best-selling work of consumerist smut. Having enjoyed off-Broadway success since early 2013, the UK production of the musical at the Edinburgh Fringe had reportedly been withheld until after 1 ...
