The third book in the Larkford series, Best Practice, is pure perfection when it comes to fiction stories. I know it is only the beginning of the year but Best Practice is a very strong contender for my book of the year 2018 because it makes me feel all the things that reader should experience while reading a book.

Best Practice (Volume 3) (The Larkford Series) Paperback ...
This book provides a comprehensive overview of the theory, functioning, management and legal background of the insurance industry. Written in accessible, non-technical style, Insurance Theory and Practice begins with an examination of the insurance concept, its guiding principles and legal rules before moving on to an analysis of the market, its players and their roles and relationships.

Description. Practical General Practice is a highly practical manual, specifically designed for use during the consultation process. Containing over 1000 conditions, the unique underlying structure of the book allows the GP to see immediately what treatment is recommended and why. All recommendations are highly specific - giving a firm guide to the GP during the consultation process rather than a list of possibilities that the GP might wish to consider.
