Revised edition of the author's Managerial accounting, 2014.

Prepare your MBA students to become successful managers, not just leading accountants, with the proven success of MANAGERIAL ACCOUNTING: AN INTRODUCTION TO CONCEPTS, METHODS AND USES, 11E. This edition effectively balances coverage of concepts, methods, and the uses of managerial accounting with a strong emphasis on management decision-making. Students focus on concepts and managerial uses of financial information, rather than simply perfecting the accounting techniques. This edition combines core managerial accounting concepts with the latest cutting-edge material that is relevant to all managers and decision makers. A continued emphasis on international issues prepares students for today's globalized business environment. This edition also highlights the strategic effects of decisions, ethics, and new management accounting trends to prepare students for the challenges of today's workplace. Numerous realistic examples and application problems help emphasize the skills most critical today including process improvement and integrating financial reporting issues within management decision-making. Students also learn to apply managerial accounting tools to the emerging service sector, government, and nonprofit organizations with new coverage of risk management and internal controls. Select MANAGERIAL ACCOUNTING, 11E to truly prepare your MBA students to be the successful managers they are meant to be. Instructor Resources: Instructor Companion Site Accounting has long been the benchmark by which all other introductory accounting textbooks are measured. It is well known as a comprehensive, authoritative and reliable textbook that has supported students studying introductory accounting for over 20 years. The clarity of explanation and thorough illustration of the accounting process supports learning and prepares students for future study in commerce, and beyond into professional practice. The new edition is ideally suited to accounting and non-accounting majors alike, illustrating accounting procedures and applying accounting information to business and business decision making. Accordingly, changes required under accounting standards and the regulatory environment as a consequence of International Accounting Standards Board (IASB) initiatives and the Conceptual Framework in Financial Reporting have been thoroughly updated in line with recent changes to AIFRS and the Framework. The four-colour design provides students with a more reader-friendly text, enhancing their understanding of concepts and ensuring learning outcomes are achieved. The text builds on the thorough and reliable explanation of the accounting process through the addition of new 'Link to business' chapter vignettes that apply the principles to practice. Previous editions were renowned for the number of exercises and problems, and the new edition builds upon this superior teaching feature. The end-of-chapter activities encourages the development of skills in decision-making, critical thinking, ethical thinking, analysis and communication, building student confidence for success in their course.

Expanding on Proven Success with Horngrn's Accounting Horngrn's Accounting presents the core content of the accounting course in a fresh format designed to help today's learners succeed. The Eleventh Edition expands on the proven success of the significant revision to the Horngrn franchise and uses what the authors have learned from focus groups, market feedback, and colleagues to create livelier classrooms, provide meaningful learning tools, and give profsors resources to help students inside and outside the clas. First, the authors ensured that content was clear, consistent, and above all, accurate. Every chapter is reviewed to ensure that students understand what they are reading and that there is consistency from chapter to chapter. The author team worked every single accounting problem and employed a team of accounting professors from across the nation to review for accuracy. This edition continues the focus on student success and provides resources for professors to create an active and engaging classroom. Through MyAccountingLab, students have the opportunity to watch author recorded solution videos, practice the accounting cycle using an interactive tutorial, and watch in-depth author-driven animated lectures that cover every learning objective. In addition, all instructor resources have been updated to accompany this edition of the book, including the PowerPoint presentations and Test Bank. Also available with MyAccountingLab © MyAccountingLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.

For centuries, the lighthouse has stood as a beacon of guidance for mariners at sea. More than an aid to navigation, the lighthouse symbolizes safety, permanence, reliability, and the comforts of the familiar. For this reason, we have chosen to illustrate the eleventh Canadian edition of our flagship Managerial Accounting publication by Garrison/Libby/Webb with a lighthouse image that encapsulates the greatest strengths of this market leading text. Garrison guides students through the challenges of learning managerial accounting. It identifies the three functions managers must perform within their organizations--plan operations, control activities, and make decisions--and explains the accounting information necessary for these functions. The eleventh Canadian edition of Managerial Accounting continues to place an emphasis on three core qualities: relevance, balance and clarity.

Readers looking for a dynamic way to learn accounting. Redefining tradition in the accounting course. The tenth edition of Horngrn ' s Accounting presents the core content of the accounting course in a fresh format designed to help today ' s learners succeed. Built upon the foundation of the Horngrn franchise, this new edition was created by an all-new author team who sought to bridge the gap between textbook content and classroom instruction techniques. New pedagogical features such as Instructor Tips & Tricks and Common Questions, Answered walk students through the material as a great instructor would, fostering deeper understanding of accounting theory and practice. The table of contents for the tenth edition has been significantly overhauled to match the way the contemporary course is often taught. Additionally, the whole text has been put through a rigorous accuracy check, so instructors can be confident that it is up-to-date and error-free. And thorough integration between the text and MyAccountingLab places practice opportunities just a few clicks away – and provides a truly interactive learning experience.
