innovative while teaching students in a clear, unbiased way. Like the 18th edition, *Macroeconomics, Brief Edition* has 3 main goals: help the beginning student master the principles essential for understanding the economizing problem, specific economic issues, and the policy alternatives; help the student understand and apply the economic perspective and reason accurately and objectively about economic matters; and promote a lasting student interest in economics and the economy. Although the Brief Edition is a derivative of *Macroeconomics 18e*, is not a cut-and-paste book that simply eliminates several chapters of *Macroeconomics 18e* and reorders and renumbers the retained content. Instead, *Macroeconomics, Brief Edition* is a very concise, highly integrated economics textbook that is distinct in purpose, style, and coverage from *Macroeconomics 18e*.

McConnell-Brue 's *Economics 15* is the best-selling textbook and has been teaching students in a clear, unbiased way for 40 years. The 14th edition grew market share because of its clear and careful treatment of principles of economics concepts, its balanced coverage, and its patient explanations. More students have learned their principles of Economics from McConnell-Brue than any other text 12 million of them. The 15th edition is a substantial revision that delivers a tighter, modern, Internet-savvy book.ook.ok.
