OLD MOTHER GOOSE. OLD Mother Goose, when She wanted to wander, Would ride through the air On a very fine gander. Mother Goose had a house, 'Twas built in a wood, Where an owl at the door For sentinel stood. This is her son Jack, A plain-looking lad, He is not very good, Nor yet very bad. She sent him to market, A live goose he bought, "Here, mother," says he,

and although he was not handsome, he was good-tempered and industrious, and this made him better-looking than half the other boys. Old Mother Goose carried a long stick, she wore a high-crowned hat, and high-heeled shoes, and her kerchief was as white as snow.

Old Mother Goose and Her Son Jack | Stories for Kids

In her English incarnation, Mother Goose first began to be associated with nursery rhymes—as opposed to fairy tales—sometime in the mid-to-late 18th century, thanks to the publication of Mother Goose’s *Melody: Or, Sonnets for the Cradle*. This book of verses was divided into two parts, the first of which contained “the most celebrated Songs and Lullabies of the old British Nurses ...

Collections of Mother Goose rhymes.

An illustrated collection of traditional rhymes.

Kate Greenaway's 'Mother Goose Or The Old Nursery Rhymes' was originally published in 1881, it contains many nursery rhymes and tales together with her beautiful illustrations. Many of the earliest children's books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Pook Press are working to republish these classic works in affordable, high quality, colour editions, using the original text and artwork so these works can delight another generation of children. About the Illustrator: Kate Greenaway (1846-1901) was one of the earliest contributors to children's literature and, along with her contemporaries Walter Crane and Randolph Caldecott, was amongst the most influential illustrators in the development of children's colour picture books. Her collaboration in 1876 with Edmund Evans who reproduced her paintings using hand-engraved wood blocks brought her much popularity. She has enchanted people, young and old, for over one hundred years with her watercolour illustrations of sweet, charming eighteenth century children with their quaint costumes and idyllic scenes. In recognition of her lifetime work, the Chartered Institute of Library and Information Professionals of Great Britain established an award in her name in 1955 and to receive the Kate Greenaway Medal today is considered the highest accolade a British illustrator can be given.
