Chapter 17  
incorporates a personal finance perspective. The effect is that students gain a greater understanding of finance as a whole and how it affects their day-to-day lives; it answers the question “ Why does finance matter to ME? ” By providing a balance of managerial and personal finance perspectives, clear exposition, comprehensive content, and a broad range of support resources, Principles of Managerial Finance will continue to be the preferred choice for many introductory finance courses.

Gitman's Brief Third Edition approaches introductory finance with a focused concentration on the fundamental concepts, techniques,

and practices of managerial finance. Integrating pedagogy with the concepts and practical applications necessary for a solid understanding of managerial finance, this edition equips instructors and students to concentrate on the concepts, techniques, and practices for keen financial decision making in an increasingly competitive business environment.

For MBA/graduate students taking a course in corporate finance. Using the unifying valuation framework based on the Law of One Price, top researchers Jonathan Berk and Peter DeMarzo set the new standard for corporate finance textbooks. Corporate Finance blends coverage of time-tested principles and the latest advancements with the practical

perspective of the financial manager. With this ideal melding of the core with modern topics, innovation with proven pedagogy, Berk and DeMarzo establish the new canon in finance. The second edition reflects the constantly changing world of finance, including information on the recent financial crisis, new behavioral finance research, and updated practitioner interviews.

Written by Mark Simonson, Arizona State University, the Study Guide provides the learning tools students need to cement their understanding of key concepts, including chapter synopses, review of select concepts and terms, and 5-10 questions per chapter as a self-test. Worked examples with step-by-step solutions guide students through the thought
