Shamanism: Traditional and Contemporary Approaches to the ...

The ambivalent nature of the shaman and the spirit world in the tough Arctic environment is then contrasted with the more benign attitude to shamanism in the New Age movement. After presenting descriptions of their organizations and accounts by participants, the author critically analyses the role of neo-shamanic courses and concludes that it is doubtful to consider what is offered as shamanism.

*Jakobsen's analysis of traditional and contemporary forms of shamanism provide an important contribution to studies in this specialised type of religious experience. She confirms the view of many scholars, such as the Alaskan anthropologist Wendell Oswalt, that the central feature of shamanism is 'spirit control' while at the same time demonstrating its growing importance in contemporary Western urban settings.

Shamanism: Traditional and Contemporary Approaches to the ...

This comprehensive, experiential course, provides an overview over traditional and contemporary shamanic wisdom traditions and outlines briefly the psycho-spiritual personal and transpersonal teachings these traditions offer. The focus of this two-day training will be on teaching you some psycho-spiritual shamanic tools and approaches, adjusted to contemporary therapy, and how to integrate them into your practice.
