climate change, fair operating practices, stakeholder engagement, CSR and strategic management. The global reach of the collection brings case studies from China, the US, the UK, Mexico and Italy, while company case studies include Fairmont Luxury Hotels and Sextantio. Sustainability in Hospitality: How Innovative Hotels are Transforming the Industry will be an essential read for academics researching the development of ethically-conscious and sustainable hospitality, and for hotel managers and group CEOs who want to know how sustainability and CSR can be embedded in their day-to-day operations.

Acces PDF Sustainability In The Hospitality Industry

Over the past few years the hospitality industry has become a lot more sustainable than it used to be. However, the industry's contribution to the sustainable development of our societies is still significantly smaller than it could be. This book specifically addresses the links between operations, tactics and strategy from a sustainable development perspective and moves beyond describing what is to reflect on what could be or even what should be, thus providing students with a concise guide for improving sustainability concepts and businesses in the hospitality industry. Each chapter uses specific cases and examples to reflect on different ways in which sustainability principles can be

Acces PDF Sustainability In The Hospitality Industry

used for revisiting the host-guest relationship and improving the industry's business processes and models. In doing so, the book provides current and future professionals with guidelines, inspiration and a call for action to take sustainability within the hospitality industry to the next level, based on inclusiveness, equality and a sustainable relationship with our natural environment.

Focuses on complex issues from a hotel industry perspective. The book offers a survey of existing research, reflecting on the pandemic's impacts and generating scenarios for how to strengthen business structures.
