The Builder's Pride is the awesome third book in the series which combines fantasy and elements of game lit. The story which centers around a war that unites heaven and hell against a common enemy is full of action, twists, and interesting characters including amazing demon and angel women. The ending leaves the reader impatient for the next book.

The Builder's Sword Summary. Arthur Curie never expected to wind up in Hell. At least, not because he found an ancient sword in a pawnshop. To make matters worse, Hell isn't as he thought. It's a desolate wasteland under siege by an all-consuming void known as the Darkness. Now, he's trapped with no way home, a ragtag army of women, and a sword whose only power is to modify the abilities of those around him.
