When Lord Greene wagers his daughter's hand in marriage in a card game, no one is less surprised the woman herself. The only thing that shocks Olive is that the man that he has gambled her away to is none other than The Duke of Ruin. Rumours abound that the Sixth Duke of Everleigh callously murdered his late wife and killed her lover in a duel --and now Olive is to become his bride. Ruan Ashford took one look at Olive Greene and knew that he had to have her in his bed. The beautiful, auburn-haired temptress will make a perfect Duchess; there's only one problem - his new wife despises him. When a chance arises for Olive to disappear she readily grabs hold of it, and soon the Duke of Ruin is hunting the Cornish countryside for his runaway bride. When he finds her can he convince her that he's not the dreadful villain the world thinks him to be and that his love for her is real?

With her betrothal to a duke in tatters and scandal imminent, Diana Kingman has two choices: live in certain ignominy or flee into obscurity. Diana wants solitude. She never wished to wed in the first place. However, her father will stop at nothing to betroth her to one of the finest titles in the realm...no matter how loathsome the bearer. Escape is Diana's only option, and she'll pay any price to achieve freedom. Universally blamed for the death of his wife and unborn child, Simon Hastings doesn't dispute his guilt over an accident he cannot even remember. He hasn't had a drink since, nor a moment's peace. Determined to be a better man, Simon rescues a young woman in need—only to be accused of kidnapping. They must marry to save him from prison. But how can a man haunted by the love he lost and a woman afraid to get too close find happiness together?

Thomas Seabrook, the penniless Duke of Wentworth, walks into White's for night cap. He leaves no longer in need of coin. In fact, he has become a wealthy man and owner of Hamilton Whaling Industries of New Bedford, Massachusetts and guardian of a seventeen-year-old girl. Thomas travels to Boston intent of bringing his ward back and marrying her off to the first eligible gentleman who requests her hand. Except the first gentleman to ask for her, is his own brother Sebastian. Thomas refuses, because bloody hell, he wants her for himself. Emma Hamilton is not happy with her new situation. Her papa brought her up to be independent and assertive. How dare this stranger, this moody noble, dictate what she can do and not do? When she finds herself thrown into a London Season, being introduced from one gentleman to another, looking for a husband, she realizes only the duke will do. How can she break through the duke's hard exterior and find the loving, caring gentleman she knows he hides from everyone?

She won't become his mistress and can't become his wife. Passion is pulling them together. Society is pushing them apart. The last thing wounded veteran Major Thomas Marshal wanted was a title. It wasn't supposed to happen. But duty has a way of pulling a man into things he doesn't want and away from the things he needs. The only thing Miss Guinevere Harding needs is a safe place to hide. A job as the downstairs maid at Brookshire is the perfect refuge from a frightening past. Or at least it was until the arrival of the new Duke.

To save her family from ruin, one young woman must agree to marry a mysterious duke in this charming Regency Romance for fans of Sabrina Jeffries and Tessa Dare. Orphaned young, Oliver Sterling, eleventh duke of Kendal, lives in seclusion in his massive home, Horncliffe Manor. Convinced since childhood that he is monstrous, his only company is his guardian, Mr. Winters—a man who perpetuates Oliver's self-loathing. Still, Oliver is only human. One day, he sees a beautiful young woman in a painting titled "St. Ives Girl." Captivated, he asks Mr. Winters to find her, marry her by proxy, and bring her back as his bride. . . . Rebecca Kane is shocked that her squire father has agreed to marry her off to a duke in exchange for payment of his gambling debts. But with no option, she submits. Rebecca fears this husband she has never seen in the light of day—yet in the marriage bed, her husband is kind and gentle. And though they remain in darkness, she detects nothing odd about him. She wonders what he is hiding and soon finds there are more mysteries to uncover—about the unsettling noises coming from deep within the manor, about Mr. Winters, and about love—of oneself and one's beloved. . . .
