Just as we groan when visitors want a Hollywood sign ... According to Patty Civalleri, who shepherded the book to publication, Coulombe did not imagine the book would ever be published; he wrote ...

As the novel opens, Titus, heir to Lord Sepulchrave, has just been born. He stands to inherit the miles of rambling stone and mortar that form Gormenghast Castle. Meanwhile, far away and in the kitchen, a servant named Steerpike escapes his drudgework and begins an auspicious ascent to power. Inside of Gormenghast, all events are predetermined by complex rituals, the origins of which are lost in time. The castle is peopled by dark characters in half-lit corridors. Dreamlike and macabre, Peake's extraordinary novel is one of the most astonishing and fantastic works in modern fiction.

Coming soon as a major, lavishly produced TV series, the Gormenghast novels--"Titus Groan, Gormenghast, " and "Titus Alone"--along with Tolkien's "Lord of the Rings, " reign among the undisputed fantasy classics of all time.

The first complete paperback edition of the restored Gormenghast Novels, including twelve critical essays and the original fragment of Mervyn Peake's unfinished fourth novel, Titus Awakes.

Titus is expected to rule this extraordinary kingdom and his eccentric and wayward subjects. But with the arrival of an ambitious kitchen boy, Steerpike, the established order is thrown into disarray. Over the course of these three novels--Titus Groan, Gormenghast, and Titus Alone-- Titus must contend with a kingdom about to implode beneath the weight of centuries of intrigue, treachery, manipulation, and murder. Intoxicating, rich, and unique, The Gormenghast Trilogy is a tour de force that ranks as one of the twentieth century's most remarkable feats of imaginative writing. This special edition, published for the centenary of Mervyn Peake's birth, is accompanied by over one hundred of Peake's dazzling drawings.

Maeve Gilmore, Mervyn Peake's widow, wrote Titus Awakes based on those pages left behind by Peake. Titus Awakes picks up the story of Titus, 77th Earl of Groan, as he wanders through the modern world. Fans of the Gormenghast novels will relish this continuation of the world Peake created and of the lives of unforgettable characters from the original novels, including the scheming Steerpike, Titus's sister Fuchsia, and the long-serving Dr. Prunesquallor. Published a century after Peake's birth, this strikingly imaginative novel provides a moving coda to Peake's masterwork.

Peake's books are actual additions to life; they give, like certain rare dreams, sensations we never had before, and enlarge our conception of the range of possible experience' C.S. Lewis Enter the world of Gormenghast. The vast crumbling castle to which the seventy-seventh Earl, Titus Groan, is Lord and heir. Titus is expected to rule this Gothic labyrinth of turrets and dungeons, cloisters and corridors as well as the eccentric and wayward subject. Things are changing in the castle and Titus must contend with a kingdom about to implode beneath the weight of centuries of intrigue, treachery, manipulation and murder.

As the novel opens, Titus, lord of Castle Gormenghast, has abdicated his throne. Born and brought to the edge of manhood in the huge, rotting castle, Titus rebels against the age-old ritual of which he is both lord and prisoner and rushes headlong into the world. From that moment forward, he is thrust into a stormy land of a dark imagination, where figures and landscapes loom up with the force and vividness of a dream--or a nightmare. This final installment in the Gormenghast Trilogy is a fantastic triumph--a conquest awash in imagination, terror, and charm.

Gormenghast is the vast crumbling castle to which the 77th Earl, Titus Groan, is lord and heir. Gothic labyrinth of roofs and turrets, stairwells and dungeons, it is also the cobwebbed kingdom of Byzantine government and age-old ritual.
