The Night Parade was a fun and enjoyable story. The first few chapters were a bit slow and made it a bit hard to get into the story as most of those take place in the real world and the main character Saki isn't too likeable, especially at first. But once the curse is set and Saki enters the night parade I really enjoyed this book.

One Moonlit Night (Un Nos Ola Leuad), Caradog Prichards melodious Welsh-language novel, written entirely in local dialect, was first published in 1961.
