Describes the opportunities and risks of commercial and residential real-estate investment, offering advice on finding the right property, financing, development, and sale

"This well-organized book shows what a typical life in real estate is like so that newcomers can decide whether the field is right for them. It also offers advice on how to grow real estate investments for people who are already in the industry. Poorvu includes a variety of real world stories about people and their career experiences to make for an interesting read with a practical edge." -Publishers Weekly "This new book by Bill Poorvu trumps any real estate book you've ever read." -James Grant, editor of Grant's Interest Rate Observer There are plenty of "get rich quick in real estate" books. This is not one of them. Your guide, William Poorvu, is a lifelong real estate investor and consultant, and former head of the real estate program at Harvard Business School. Drawing on his personal experience-and hundreds of interviews with many of the most successful real estate investors and entrepreneurs-Poorvu illuminates every stage of your "life" in real estate: creating wealth, growing it, and managing it successfully. He reveals the milestones, pitfalls, and rewards associated with real estate investing, offering powerful insight into the challenges and opportunities you'll face as you start out...scale up...ride the industry's cyclical waves and then leverage, share, or pass along the wealth you've created. This book contains dozens of real life personal stories, hands-on checklists, and questions to guide your decisions...and it delivers unparalleled insight into how the real estate industry really works: • Be strategic: choose your best route into the business Define your successful real estate career, and learn how to make it a reality •Build your foundation: your first job, your first deal Spot a great opportunity to add value, and jump on it • Scale up: build and sustain your success Hire a great team, manage them successfully, and find the capital you need to grow • Survive the downturns: be flexible and nimble Recognize new realities, adapt to them, and uncover the opportunities they create • Take stock: make the most of your success Balance your business, wealth, and family

How to buy low and sell high in real estate Yes, timing is everything. In the real estate market, that means buying in markets that are ready to take off and cashing out before prices crash. In Timing the Real Estate Market, millionaire real estate entrepreneur Craig Hall reveals to America's 17 million real estate investors his secrets for maximizing profits, by knowing when to buy, when to sell, and what to do in between. Following Hall's savvy advice, real estate investors will learn: The seven major trends affecting real estate prices How to predict when real estate prices are poised to increase How to capture maximum profits by knowing when to sell How to add value to a property while waiting for the real estate market to pick up How to survive during a downturn--until the next market upswing

If there were one advantage that would make a significant impact on the growth of your real estate portfolio, what would that be? If you are just starting out as a real estate investor, what anxieties or worries might you have? What expertise in particular would help you understand market fundamentals and help you achieve your goal of becoming a successful investor and attaining financial freedom? If you're an experienced investor, what systems do you have in place to support your growth without making costly mistakes? Have you built up a proper support team? If you are a successful real estate agent, with experience in

residential property, what could you do to enhance that success in both personal and professional growth? Have you thought about how real estate investing can help you and your business? The answer to these questions lies in a very special kind of relationship-the relationship between the real estate investor and the real estate agent. Real Estate Riches is designed to provide investors with insights into the skills and services that a knowledgeable agent can provide-one who specializes in meeting the needs of the investor by understanding the investor's mindset, vision, and goals to allow them to focus on the larger aspects of their business. Real Estate Riches is also intended to illustrate to the agent what an investor's business looks like-from the different strategies and types of properties the investor focuses on, to the specifics of investment towns, neighbourhoods and streets, to timelines and cycles for growing the investor's portfolio. How do you go about finding that agent with the requisite skills? The answer lies within the pages of Real Estate Riches. Filled with real-life case studies, tips, and the hard-won knowledge that comes from experience, the book is motivational, practical, and useful-and it will be among your wisest investments. "This book really shows professional investors and professional agents how, if done right, both parties can come out with better financial results with less hassle by treating the real estate business like any other business-creating long-term relationships in which each party respects the other's profession and treats each other's time like the important commodity that it is." - Don R. Campbell, Author, market analyst, and investor "Tahani is an inspiration. She shows firsthand how with the right mindset and the right team you can build a future in real estate while not compromising what's truly important." - Philip McKernan, Author of South of 49 and Fire Sale "Tahani's story is powerful, and demonstrates what can happen when you focus on helping people and living your passion. She reveals the 'human' side of real estate, and why it's so important to build a powerful team around you that you can trust." - Greg Habstritt, Founder of SimpleWealth.com and best-selling author of The Real Estate Secret "Tahani gives the novice investor a clear insight into the world of a savvy, investor-friendly real estate agent and the importance of having someone with her experience on your team. Whether you are a seasoned investor or just starting out, this book will be an invaluable tool in your investor toolbox." - Peter Kinch, Owner, DLC Peter Kinch Mortgage Team Tahani Aburaneh is donating the royalties from the sale of this book to www.care.org.

From the #1 bestselling author of "Rich Dad, Poor Dad" comes the ultimate guide to real estate--the advice and techniques every investor needs to navigate through the ups, downs, and in-betweens of the market.

This book will help you learn new ideas to take advantage of today's value real estate investing opportunities so that you can achieve financial independence. Whether you are a new or experienced investor, this book uncovers the inside game of value real estate investing and the strategies you can use to create value and make more money with your real estate investments.

American industrialist billionaire Andrew Carnegie once famously said that 90% of all millionaires get to that level of wealth through an investment in real estate. He also claimed that "more money has been made in real estate than in all industrial investments combined." That's a pretty powerful statement coming from a guy that had a net worth of \$342 billion dollars !!!!What Andrew Carnegie neglected to share with you is the HOW. How does an ordinary person actually go about building wealth through real estate? What steps does one need to take to become a successful real estate investor? "The Game: How To Become A Successful Real Estate Investor" provides proven strategies that will help you on your journey to building wealth in real estate. The book provides both newcomers and seasoned professionals tips, guidelines and resources that will help you on your journey to becoming a successful investor. The Game: How To Become A Successful Real Estate Investor will provide you a definition of what it means to be financially free as well as the strategies on how to get there. Most importantly the book will put you on your journey to creating generational wealth for your family. Are you ready to get into the Game?
