The Unlikeable Demon Hunter is a pleasant, engaging, and action-packed debut in the Nava Katz series by Deborah Wilde. I wasn't to sure about Nava nor this book, but the more I read the more I was pulled in and couldn't put the book down. Nava is one of those characters who is annoying and unlikeable, but you can't help but end up liking her.

~~The Unlikeable Demon Hunter (Nava Katz, #1) by Deborah Wilde~~
Nava is a breath of fresh air. She's funny, quick-witted and intelligent, but also completely, irreparably imperfect. As the books go on, I'm finding myself more and more endeared to her character. She's growing and learning, but not losing the quirks that make her the unlikeable demon hunter that was fleshed out in the first book of the series.

Nava is probably the worst candidate to put up as a demon hunter. She's flighty, silly, reckless and determined to put her brother in her place. He was supposed to wear the damn ring, not her. He had been training for this position for years, she had other plans. He knew what a demon looked like, she didn't even know there were so many types.

Check out this great listen on Audible.com. Playtime's over. With the Brotherhood and certain witches gunning for Nava, people are taking bets on who will kill her first. Not to mention that the shambles of her relationship have just been thrust into the spotlight for...

Playtime's over. Nava heads to Los Angeles to make her bold play-on all fronts-but can she stop her foes before they destroy her for good? And who else will have to die? Go big or go home, baby.

Bridesmaids meets Buffy with a dash of the seven deadly sins.The age-old story of what happens when a foul-mouthed, romance impaired heroine with no edit button and a predilection for hot sex is faced with her worst nightmare-a purpose.Ari Katz is intelligent, driven, and will make an excellent demon hunter once initiated into the Brotherhood of David. However, this book is about his twin Nava: a smart-ass, self-cultivated hot mess, who is thrilled her brother is stuck with all the chosen one crap. When Nava half-drunkenly interrupts Ari's induction ceremony, she expects to be chastised. What she doesn't expect is to take her brother's place among the-until now-all-male demon hunters. Even worse? Her infuriating leader is former rock star Rohan Mitra.Too bad Rohan's exactly what Nava's always wanted: the perfect bad boy fling with no strings attached, because he may also be the one to bring down her carefully erected emotional shields. That's as dangerous as all the evil fiends vying for the bragging rights of killing the only female ever chosen for Demon Club. Odds of survival: eh. Odds of having a very good time with Rohan before she bites it: much better.

Enjoy this sexy, funny paranormal series by best-selling urban fantasy author Deborah Wilde... ? The Brotherhood wants her gone. The demons want her dead. Not bad for her first day as a Chosen One. When Nava Katz half-drunkenly interrupts her twin brother's induction ceremony into a secret supernatural society, she doesn't expect to accidentally torch his life-long dream and steal his destiny. Horrified she's now expected to take his place, Nava is faced with the one thing she swore off forever: a purpose. The all-male squad isn't cool with a woman in their ranks and assigns her to Rohan Mitra: former rock star and their most ruthless hunter. He may be the perfect bad boy fling with no strings attached, but what happens when he won't let her run-not even from herself? That might prove as dangerous as defeating the vengeful demon out for her brother's blood. Odds of her new teammates expecting her to fail? Best not to think about that. Odds of her succeeding out of spite? Dive into this complete urban fantasy series and find out. Featuring a snarky heroine, kickass action, and spicy romance, this hilarious adventure sucker-punches you in the heart when you're not looking. Perfect for fans of K.F. Breene, Shannon Mayer, Annette Marie, Lisa Edmonds, and Annabel Chase. "She's like Buffy from the wrong side of the tracks. And that's okay with me." - Heroes and Heartbreakers "...a fun, funny, and unapologetically raunchy new urban fantasy series... a clever guilty pleasure at its best." - Fine Print "Maybe you don't read romance. Maybe you don't read urban fantasy. Whatever. This book is the wittiest, smartest, most fun novel I've read in a long time." - T. Kick-ass heroines are my absolute favorite, and Nava is one of the smartest, smart-assed, "mutha" around. Add to that an equally strong, hot, boyfriend, conspiracy "not just theories" up the ying-yang, and imaginative plot twists, and you get instant mind gratification of the highest order." - lawchick "Just know that if you are looking for a paranormal series that has a slew of interesting characters, a story that will keep you turning the pages, and some swoons and snark, consider checking this (and the other books too!) out when you can. I will be over here patiently waiting for the next book in the series as well as anything else Wilde wants to write." - Erin Arkin, Fiction Fare

The world went silent when the mist came. Following a sonic blast heard around the world as the gates of Aites were thrown open, the mist clung to the mortal world, but it was not empty. Creatures dwelled within the mist, and when the mist left, they remained. Yet, with the ravagers another came forth. The gatekeeper, Charu strode across the land in hunt of his quarry, those spirits which had broken through the barrier. With his lamp of souls, he moves over the world capturing the spirits and bringing death to those driven to madness, infected by exposure to their miasmatic taint. He will stop at nothing to accomplish his task.The ravagers brought civilization to its knees, hiding out as an infestation within the city. Meredith was one of handfuls of people left in Ashton, barely clinging to survival as resources ran low. When a shift in power dynamics brings the people under the yoke of the ravagers, Meredith knows that her time may soon be up. She doesn't anticipate being saved by a dangerous spirit bent on destruction. Can love bloom and flourish between a grim spirit and a human woman with spirits running in havoc around them, and will their magic together be enough to save humanity from a crippling fate?*This book contains elements of horror.

Only a Gigantic Hoax Kept the Earth from Being Taken Over by Aliens%but the Secret was About to be Leaked by a Traitor in THE PROMETHEUS PROJECT Bob Devaney was a soldier in the Special Forces in the early 1960s until a traumatic event which he refused to discuss caused him to leave, setting up his own security and investigative agency, with one employee: himself. Often hired by a secret government agency to do undercover work, he was escorting a mysterious woman named Novak to the White House when they were ambushed by gunmen. Novak used a device like an invisibility field to make an impossible escape%and then knocked Devaney out with some kind of ray-tube. When he woke up, Novak was about to terminate him for knowing too much, but a message arrived from a mysterious individual known as Mr. Inconnu: Devaney was to be recruited for something called the Prometheus Project. The Project turned out to be the largest disinformation operation in history, targeted at the aliens who ruled the galaxy. Mr. Inconnu had arrived in a damaged but highly advanced craft in the 1940s with the

information that he had escaped from a group of humans whom aliens had been studying. And unless the Earth could convince the aliens that the planet had a unified government, armed with technology comparable to that of the galactic rulers, the Earth would be exploited as a primitive protectorate. So far the hoax was working and the technology which Mr. Inconnu had brought with him helped but someone in the Project was selling secrets to an interstellar mafia called the Tonkuztra about the real state of affairs on Earth. And Devaney knew that Chloe Bryant, the woman he had fallen in love with, was being set up to take a fall for the real traitor, who was about to embark on a treason beyond imagination, whose consequences could jeopardize the universe itself. But matters would turn out to be even more complicated than that and Devaney would discover the strange relationship between himself and the enigmatic Mr. Inconnu. . . At the publisher's request, this title is sold without DRM (Digital Rights Management).
