Unicorn of Many Hats is the 7th book in the Phoebe and Her Unicorn Series created by Dana Simpson. This is my 2nd time to read a comic issue from the said series; as much as I loved the previous book, this issue didn't exceed or even matched its antecedent. I was looking forward on their adventure, but there's none in this installment.

"Another Phoebe and her unicorn adventure."

The second Phoebe and Her Unicorn graphic novel! Summer is here, and Phoebe and Marigold are headed to drama camp. Phoebe's expecting some quality time with her best friend, but in a surprise twist, Marigold has invited her sister, Florence Unfortunate Nostrils! While the unicorn sisters head to camp in a magical rainbow pod, Phoebe is stuck riding with her parents in their boring car, wondering where it all went wrong. But at Camp Thespis, there are more daunting tasks at hand: writing, producing, and acting in an entirely original play! The second Phoebe and Her Unicorn graphic novel is a sparkling tale of sisterhood and summer fun, as well as a reminder that sometimes it takes a bit of drama to recognize true friendship.

Phoebe and Marigold decide to investigate a powerful storm that is wreaking havoc with the electricity in their town. The adults think it's just winter weather, but Phoebe and Marigold soon discover that all is not what it seems to be, and that the storm may have a magical cause. To solve the case, they team up with Max, who is desperate for the electricity to return so he can play video games, and frenemy Dakota, who is aided by her goblin minions. Together, they must get to the bottom of the mystery and save the town from the magic storm.

A boy and his dog . . . a girl and her . . . unicorn? It all started when a girl named Phoebe skipped a rock across a pond and accidentally hit a unicorn in the face. Improbably, this led to Phoebe being granted one wish, and she used it to make the unicorn, Marigold Heavenly Nostrils, her obligational best friend. But can a vain mythical beast and a nine-year-old daydreamer really forge a connection? Indeed they can, and that's how Phoebe and Her Unicorn unfolds. This beautifully drawn comic strip follows the unlikely friendship between a somewhat awkward girl and the magic unicorn who gradually shows her just how special she really is. Through hilarious adventures where Phoebe gets to bask in Marigold's "awesomeness," the friends also come to acknowledge that they had been lonely before they met and truly appreciate the bond they now share.

With over 1.7 million copies sold, the Phoebe and Her Unicorn book series for middle-grade readers is an immensely popular and magical word of unicorns, adventure, and friendship. When your best friend is a unicorn, every day is a stroll down the red carpet. Phoebe Howell's unicorn BFF, Marigold Heavenly Nostrils, is happy to provide the celebrity treatment—teaching Phoebe fancy new spells, giving her a ride to school so she doesn't have to ride the bus, and even negotiating with the tooth fairy on her behalf. But when Phoebe starts noticing that unicorns have become a trendy fashion statement, she doesn't feel quite so unique. Fortunately, she's distracted by adventures including a visit to the unicorn community and a trip to the woods to see her friend Dakota receive an unusual honor at the goblin award ceremony. Unicorn Famous is filled with amusing examples of the extraordinary lengths friends will go to make each other feel special.

Time flies in this fifth volume of Dana Simpson's Phoebe and Her Unicorn! Follow the lovable duo as they experience somewhat-spooky Halloween parties, ecstatic snow days, and looming summer reading assignments. Although the journey of growing up can sometimes be difficult, along the way Phoebe and Marigold discover something more enduring than goblin fads, unicorn spa vacations, and even a Spell of Forgetting—their one of a kind friendship.

School's out! That means no more teachers, no more books, and lots of time to compliment Marigold Heavenly Nostrils on her good looks. In this third volume, Phoebe and her obligational best friend, Marigold, learn that summer still has plenty of surprises for the both of them. All of our old friends are back—Phoebe's part-time "frenemy" Dakota, upon whom Marigold has bestowed sentient hair, Phoebe's goofy parents, and even Lord Splendid Humility (but please, ignore his magnificence if you can)! Have fun as Phoebe and Marigold continue the "Phoebegold Detective Agency," spend a week at Wolfgang Music Camp, and find themselves in more misadventures, thanks to Marigold's enchanted sparkles! Along the way, Phoebe makes some new friends, such as Sue—her unique clarinet-playing bunkmate, Florence Unfortunate Nostrils, Marigold's estranged sister, and Camp Wolfgang's lake monster who enjoys tacos and Wi-Fi. When school resumes, read along as Phoebe enjoys (or suffers from) a brief case of popularity, mentally catalogs her grievances against dodge ball, and, with Marigold's help, rescues Dakota and her hair from the queen of the goblins. Through these wacky adventures, Phoebe and Marigold learn that their friendship is the second most magical thing of all, after Marigold's beauty, of course. Includes an introduction by Cory Doctorow and his daughter Poesy!
