For forty years Kazuyuki Ohtsu (Japanese, b. 1935) served as assistant to Kiyoshi Saito, a woodblock artist at the forefront of the sosaku hanga movement and a man Ohtsu revered as "Master." Breaking with the traditional division of labor practiced by the shin hanga (new prints) artists, the sosaku hanga (creative prints) artists handled every step of production—painting the original pictures, carving the woodblocks, and printing the images. Saito and Ohtsu worked as a team, if an unequal one. Ohtsu seemed content to stay in the background as their relationship deepened. Eventually, he began making his own prints. What Ohtsu created under his own name is a fascinating blend of old and new, a reinvigoration of traditional topics with contemporary techniques. Ohtsu's prints are poetic contemplations, drawing us into lovely, tranquil scenes of natural beauty and harmony. The more than fifty images presented in this book convey a sense of the universe slowed down, of moments when things come together in a fine stillness and life aligns. They are what you feel when you stop and pay attention and simply let your surroundings sink in.

Paint by Sticker is the most exciting new idea in activity books, both for grown-ups and kids. A compelling activity for crafters and artists, doodlers and colorers of all ages, each Paint by Sticker book includes everything you need to create twelve vibrant, full-color " paintings. " The original images are rendered in low-poly, a computer graphics style using geometric polygon shapes to create a 3D effect. As in paint-by-number, each template is divided into dozens of spaces, each with a number that corresponds to a particular sticker. Find the sticker, peel it, and place it in the right space. Add the next, and the next, and the next—it ' s an activity that ' s utterly absorbing, both in the pleasure of peeling and sticking and the growing satisfaction of watching a " painting " come to life, emerging from a flat black-and-white illustration to a dazzling image with color, body, and spirit. Paint by Sticker: Music Icons brings us face-to-face with Elvis, The Beatles, Beyonc é , David Bowie, Cher, Prince, Michael Jackson, Kurt Cobain, Madonna, Nina Simone, Dolly Parton, and "Weird Al" Yankovic.

A fun, funny, yet practical gift book containing 100 removable stickers that congratulate supposed grown-ups on a job well done... or at least a job done. Despite official reports, members of Generation X and younger feel completely and totally ill-prepared to deal with anything. They still, as purportedly self-sufficient adults, look toward Baby Boomers and the Greatest Generation and think, How did they do that? So the easiest and best way to find comfort is to look not ahead at uncertainty (or, heaven forbid, around at the chaos currently surrounding them), but to the past to their simpler childhoods. The generation who championed the coloring book-as-relaxation trend grew up in a world in which they spent hours obsessing over, trading, and decorating with stickers. And it is with brightly colored stickers that they will finally find peace of mind. For a little while, at least. Filled with 100 full-color removable stickers that can be used to decorate journals, notebooks, or your lapel to proudly and publicly proclaim life's little victories, I Adulted! is the ideal nostalgic and practical book for anyone who feels a sense of accomplishment by making it through a day without calling their mother for help.
